SUMMARY

Flutter Developer with 1+ year of experience building and maintaining cross-platform mobile applications and REST API integrations. Skilled in delivering production-ready applications, resolving complex issues, and collaborating within R&D teams. Proficient in Flutter, Dart, APIs, and web technologies.

EXPERIENCE

Software Developer

CHATTINGBIRDS PRIVATE LIMITED (R&D UNIT)

November 2024 – Present, Hosur (TN)

- Developed and maintained Flutter-based cross-platform mobile applications for Android and iOS.
- Integrated RESTful APIs for authentication, data synchronization, and core application features.
- Implemented responsive UI using Flutter widgets and followed mobile UI/UX best practices.
- Debugged and resolved performance issues to improve application stability and user experience.
- Used Git for version control and collaborative development.

PROJECT

AlfaPrimo and Primo-X

ChattingBirds Private Limited

October 2024 - March 2025

- Developed file editing mobile applications for Japanese clients using Flutter and Dart.
- Designed intuitive and responsive UI and implemented cross-platform functionality.
- Integrated APIs and performed debugging and testing to ensure application reliability.

Erp System

ChattingBirds Private Limited

April 2025 - Present

- Developed a Flutter-based ERP mobile application to track production and defect quantities.
- Implemented real-time operations such as start, stop, pause, and hold using API integration.
- Enabled multi-user monitoring and role-based access for improved workflow efficiency.

VLSI Department Website

K S Rangasamy College of Technology

May 2024 - June 2024

- Designed and developed web pages using HTML, CSS, and JavaScript.
- Improved website navigation and usability for department users.

EDUCATION

B.E. - Electronics and Communication Engineering

Minor in Web Technology • K S Rangasamy College of Technology • Tiruchengode (TN)

Graduation Year: 2025 | CGPA: 8.24 / 10

TECHNICAL SKILLS
